

WOMEN'S HISTORY AND RESOURCE CENTER

The GFWC Headquarters in Washington, DC is home to the **Women's History and Resource Center**. Founded in 1984, the WHRC collects, preserves, interprets, and promotes the history of the GFWC and of women volunteers, documenting the social and political contributions of GFWC clubwomen from 1890 to the present through the GFWC archives, related special collections, and publications. We also maintain a reference library collection focused on women's history, the woman's club movement, and the history of volunteerism.
